

The Douay Martyrs Catholic Secondary School

September 2016

Dear Parent/Guardian

Your child has expressed an interest in taking piano/keyboard lessons which are available at the school.

Piano/Keyboard lessons are held once a week on a rotating timetable, to avoid your child missing the same lesson each week. Students who take up lessons will have the opportunity to join the various ensembles existing within the school and to perform at a variety of occasions both at school and in the local community, throughout the year. Students are encouraged to form their own ensembles and will be working both with the students, as well as individually, with their piano teacher.

Charges for piano/keyboard tuition is as follows:

- £70.00 for 5 x 30 minute lessons over a term (twice weekly)

Our piano/keyboard tutor, Mr John Miley has experience of teaching students at all levels.

Please complete and sign the slip below (together with your payment) to confirm your child's lessons and clarify the lesson regularity your child wishes to undertake. Please make cheques payable to Mr J Miley.

If you have any queries please feel free to call the Music Department on 01895 679450.

Yours sincerely

Ms D Jankauskaite
Head of Enrichment and Performance
