THE DOUAY MARTYRS CATHOLIC SECONDARY SCHOOL 6TH FORM

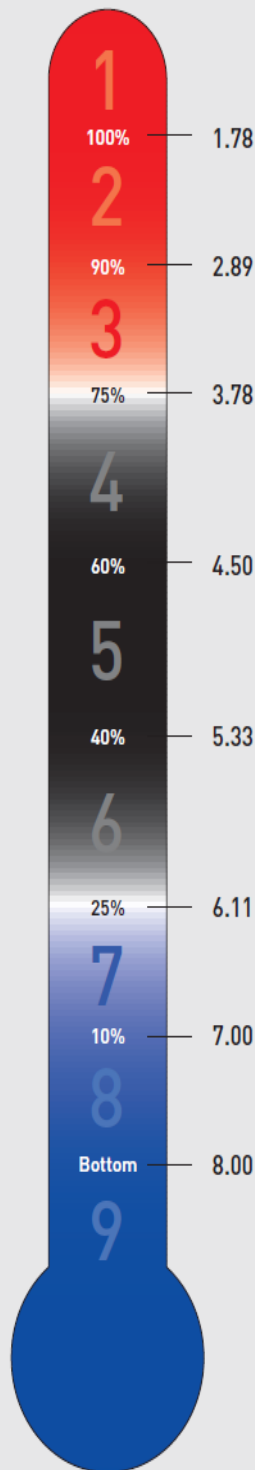

The Alps system compares the progress which our 6th Form students are making with over 1122 other schools and colleges. Pupils are graded according to the progress which they make in their A Levels. This is done by comparing their GCSE results with their AS and A2 results, allowing an analysis of whether they are continuing to progress as expected.

Analysis of the results for 2013-15 (2016 will be updated later this year) indicate that we were placed in the top 25% of all schools and colleges.
