Dear Parent/carer,

Recent Ofsted inspection

I am delighted to inform you that we have now received the report following our most recent Ofsted inspection.

We received a 'Good' in all categories. Please take your time to read the report, it is a huge endorsement of our work and the standards and outcomes we achieve.

Highlights of the report can be found on page 1, "Pupils make good progress in the Douay Martyrs School". The report goes on to say that the school is improving because of the focus and drive of the senior team. The inspectors noted the high standards we have set for ourselves and the good behaviour of our students. Equally pleasing the report notes "Leaders provide exceptional support for pupils and students' personal development and welfare".

Many thanks to staff and Governors, our students and to you for your continued support.

You can read the report either by going to the Ofsted website or by using our own school website link.

Best wishes

Mr A J Corish
