I am writing to inform you that the RE department will be running departmental re-sit support sessions for any student who underachieves by more than three grades in an assessment. The detentions will run on Thursdays for thirty minutes after school and will provide extra support for those who need it the most.

In the event that your child is issued with a department detention you will be notified in advance and asked to sign a permission slip.

We believe it's vitally important to set high expectations of our all our students and respond to underachievement. We hope that by setting aside time for students with disappointing grades in assessments we will help them have the best chance of reaching their potential.

If you require any further information regarding the above please do not hesitate to contact me on 01895 679 400 or alternatively email me at jevans@douaymartyrs.co.uk.

Yours Sincerely

Mr J Evans
